CORAM : F.I. REBELLO,J.
DATED : SEPTEMBER 29, 2004

P.C.

. By order dated 25th August, 2004, the court on identifying certain discrepancies between the date of discharge in the discharge card stated to be 19th October, 2002 and what is stated in the affidavit dated 21st June, 2004 of Bandya Ganpat Surase, had directed an affidavit be filed by a responsible person having personal knowledge of the case. Subsequent to that affidavit has been filed by Dr. Pradeep T. Goud on 3rd September, 2004 and also affidavit of Prabha Dhimmar, Social worker of Bal Vikas dated 29.9.2004. On perusal of the two affidavits, it is clear that there was some unintentional mistake in setting out the date of discharge as 17.10.2002. The explanation as also the unconditional apology tendered by Prabha Dhimmar accepted.
